

**About MotivePower, Inc.**

MotivePower, Inc., a Wabtec company, is an industry leader in the design, manufacture and re-manufacture of diesel-electric locomotives. Since MotivePower was founded in 1972, over 2,500 freight and passenger locomotives have been delivered from its facilities in Boise, ID.

**History**

1972	Morrison-Knudsen Company purchases facility in Boise, ID and establishes the Rail Systems Group which includes a locomotive manufacturing group
1994	MK Rail Corporation established as a subsidiary of Morrison-Knudsen
1996	MK Rail separates from Morrison Knudsen and incorporates as MotivePower Industries and names the locomotive manufacturing group Boise Locomotive Company as a subsidiary
1999	MotivePower Industries merges with Westinghouse Air Brake Company and is called Westinghouse Air Brake Technologies Corporation (WABTEC). Boise Locomotive Company's name is changed to MotivePower, Inc.

**Products & Services**

- New commuter locomotives
- New switcher locomotives
- Locomotive overhauls & modernizations
- Locomotive modules
- Contract fleet maintenance
- Emissions reduction applications

**Core Competencies**

- Design application & systems integration engineering
- Manufacturing & servicing locomotives
- Project management and contract administration

**Main Customers**

- All major North American railroad operators and various international customers

**Employment Information**

current	690 employees - Boise, ID 40 employees - other locations
2006	640 employees
2005	570 employees
2004	310 employees
2003	330 employees

**Quality Performance Systems**

- Lean manufacturing techniques employed; modeled after the Toyota manufacturing system of continuous improvement
- Quality certifications:
  - ISO 9001:2000
  - AAR M1003

**Main Production Facilities**

**Boise, ID**

- **Main Facility:**  
44 acres, 12 major buildings  
234,050 sq. ft. under roof  
17,000 linear feet of track
- **Truck & Engine Annex**  
6 acres  
62,250 sq. ft. under roof  
5,000 hp engine test dynamometer

**Other Locations**

- Helper, UT
- Houston, TX
- Oceanside, CA
- Provo, UT
